

TERMS OF PARTICIPATION

From June 25th to July 4th, 2020, the 3rd international Alps Art Academy will take place in the Safiental (Grisons, Switzerland). The summer academy, which is held every two years in Tenna, focuses on land and environmental art.

In dialogue with the art-historical movement of the 1960s and 70s, contemporary approaches to art in the Alpine landscape are discussed and further developed. The Alps Art Academy creates a platform for proposals for a possible future Land Art, which integrates the landscape, nature and the environment as well as history and society into its production.

A maximum of 30 participants will be accepted to the summer academy.

In general, a motivation for participatory work in the Alpine landscape in an international setting is a prerequisite.
